

Capability List of APOC-CRS B.V.

In table below the Capability List ACRS.L1.9-001 as referenced in [MOE Par. 1.9](#) is displayed.

Issue	Revision Number	Revision Date
0	0	28 Nov 2022

Note:

SAFT as a major OEM in supplying the aviation industry with its Batteries supplies up to date maintenance data on their Website.

Besides the individual Component Maintenance Manuals SAFT also supplies an Operating and Maintenance Manual 24-30-99 which is the CMM for most SAFT Models /Types if not referenced separately.

Note: SAFT as OEM has two main locations for manufacturing. France and the USA. The Part numbers having the-000 are from the USA location.
